

I would like to commend everyone on the **quick** processing of the CJA 20 vouchers received from the attorneys.

In the future, if a CJA 20 is submitted that exceeds the statutory court compensation maximum, please have the attorneys to complete CJA26 in lieu of providing Affidavit or Memorandum of Fees in support. Once these vouchers exceeding the cap are approved by our judges, they have to be forwarded to 4CCA. Completion of the CJA 26 will expedite the approval process in 4CCA.

The CJA 26 along with the Instructions (CJA26A) can be located on the court's website under court forms.

Thank you!
