

In the case of: United States of America v. XXXXXXXXXXXXXXXXX,
0:00CR00-0

ACKNOWLEDGMENT

I, XXXXXXXXXXXXXXXXX, do hereby acknowledge that I have previously provided my attorney, [REDACTED], information regarding the criminal activities of others and myself, and have authorized him to submit proffers to the United States Attorney's Office in hopes of my qualifying for substantial assistance. The information contained in the proffers involves criminal activities in the Middle District of North Carolina, as well as other jurisdictions. My attorney has advised me of the difficulty involved in obtaining immunity from prosecution due to the number of jurisdictions involved.

My attorney has also informed me that any immunity received from federal prosecution would not include immunity from prosecution for any homicides or other violent crimes in which I may have been involved. Since the information which I am willing to provide to the federal authorities could lead to the indictment and arrest of other persons who might have knowledge of my participation in other crimes, including homicides, my attorney has advised me to delay my cooperation until some agreement has been reached regarding my immunity in the various jurisdictions involved. I have advised my said attorney that I wish to proceed with my cooperation, in spite of lack of grants of immunity from jurisdictions other than the Middle District of North Carolina. I have made such decision after being fully advised of the potential consequences by my said attorney, and an understanding and appreciation of the risk involved.

I do hereby authorize and instruct my aforesaid attorney to pursue

a grant of immunity from prosecution by the United States Attorney for the Middle District of North Carolina in exchange for my cooperation concerning the matters contained in the proffers previously submitted. I give such authorization and instruction to my said attorney with a full understanding and appreciation of my legal rights and with an understanding and ACKNOWLEDGMENT that such instruction and authorization are given against the advice of my attorney.

I have read this ACKNOWLEDGMENT and certify that it accurately sets forth the instructions I have given to my attorney.

This the _____ day of June, 2004.
