

Assistant United States **, who advises that the government does not oppose the requested examination.

WHEREFORE, it is necessary that a psychiatric or psychological examination and evaluation of the Defendant be conducted to determine whether "the [D]efendant may presently be suffering from a mental disease or defect for the treatment of which **(he)(she)** is in need of custody for care or treatment in a suitable facility," and if not, what "sentencing alternatives ... could best accord the [D]efendant the kind of treatment **(he)(she)** does need." 18 U.S.C. §§ 4244(a), (b).

FURTHERMORE, because of the sensitive personal nature of the information contained in this motion, the Defendant moves that it, and the proposed order accompanying it, be placed under seal.

Respectfully submitted this the ** day of ** 2007.
